WCTC Foundation MISSION STATEMENT

The mission of the WCTC Foundation is to obtain, manage and convey, as appropriate, private resources to assist Waukesha County Technical College (WCTC) in achieving its goals and to coordinate private fund raising activities.

“My construction job is physically demanding, and I needed a career change. Attending WCTC’s accounting program has been a real joy. I’ve appreciated the financial help towards making the career change that I so badly want.” —Regina Benedict (*Fredricks/Hansen Scholarship*)

From the
WCTC Foundation Chairperson

Dear Friends,

The WCTC Foundation has realized, and surpassed, its 10 year goal. With an objective to raise \$10 million in donations in 10 years, the Foundation achieved donations totaling \$12.5 million as of June 30, 2007. I commend you, the donors, for this remarkable achievement. In this time period, 7,668 gifts were given making for the greatest giving growth in the Foundation's 30 year history.

In reviewing the past two years reflected in this report, WCTC students received \$543,068 in scholarship support for their educational advancement. Last year, there was a 16% increase in the number of students receiving scholarship funding.

The Foundation is currently steward to 68 Named Scholarships, 99 Advised Funds, and 42 Endowment Funds. This total of 209 Donor Directed Funds represents a 12% increase in funds established through the WCTC Foundation over the past two fiscal years.

The WCTC Foundation is pleased to recognize our generous donors and achievements for Fiscal Years 2006 and 2007. On behalf of the Foundation Board of Directors, I extend sincere appreciation for your gracious generosity. We value you as a donor, and as a partner, in supporting WCTC students and programs.

Thank you and I urge you to continue your commitment to the WCTC Foundation and its mission.

Judy Jorgensen
WCTC Foundation Chairperson

WCTC Foundation Events and Recognition

Craft Fair

The “Dickens Holiday” craft fair is held each year. This event features exhibitors who have been selected for their creativity, product and presentation. Proceeds from this craft fair are used to fund student scholarships at Waukesha County Technical College. Each year, over \$14,500 is raised to benefit scholarships for students attending WCTC.

White House Chef

Hired as the White House Chef in 1994, Walter Scheib spent the next 11 years transforming the White House kitchen into a showcase for American cuisine. In May 2007, Chef Scheib offered an intimate, human view of two First Families, the corridors of political power and a unique vantage point of the most famous building in America, a view from the kitchen. Proceeds from the event benefited the Keith Owsiany Memorial Scholarship Fund. This scholarship will benefit culinary students and is a tribute to Keith in recognition of his teaching excellence.

“Not having to worry about money for school has made everything a lot easier and I can focus on my schoolwork more. I enjoy learning about computers and electronics, and at WCTC, they give you that opportunity. WCTC has awesome courses and teachers.” —Jonathan Franzen (*A & A Manufacturing Co. Scholarship*)

Wine Tasting

The annual Wine Tasting and Silent Auction event is sponsored by WCTC's Hospitality & Culinary Management Association and the WCTC Foundation. This special event is held to help raise money for scholarships and other educational opportunities for students in the Hospitality and Culinary Management Program at WCTC. Over \$30,000 has been raised in the past two fiscal years.

Partners in Philanthropy

Each year, the WCTC Foundation selects individuals and/or companies to be honored as its "Partner in Philanthropy." All "Partners" are selected on the basis of their generosity and commitment to the WCTC Foundation. The WCTC Foundation has had the privilege of naming the following "Partners" over the past two fiscal years:

Donald & Mary Kay Balchunas
Valorie Zielinski
The Natalizio Family/HNI Risk Services

Special Scholarship Stories

Suzanne Coyle Memorial Scholarship Fund

Ms. Coyle was an instructor in WCTC's Associate Degree Nursing Program from 1978 until 1991. Suzanne served as the Associate Dean for the Nursing Department from 1991 until the time of her death in 1992. The Foundation has been honored to host a scholarship in memory of Ms. Suzanne Coyle for many years. She was honored as a recipient of the Women of Distinction Special Recognition Award in 1989. Her family members sent the following comments regarding her scholarship: "Thank you for keeping my sister's name alive with this scholarship. Thank you for sharing the notes of appreciation from recent recipients of Suzanne's scholarship. We appreciate knowing that her scholarship will go on to help others. She would be happy to know that WCTC continues to honor her contribution to the Nursing Program."

Jennifer Duce Memorial Scholarship Fund

This scholarship was created as a memorial for Jennifer L. Duce who was a full-time student and student worker at WCTC from 1994 until the time of her death in 1996. Her Named Scholarship is given to students enrolled in Interior Design or Business programs. Since her scholarship was first awarded in 1997, WCTC students have received \$6,575 in generous funding, an average of over \$650 per year in scholarships.

Honorary Marilyn Young Marketing Scholarship

This scholarship was established by Mr. Cory Fitzpatrick, a recent graduate of WCTC, to honor the quality of Marilyn Young’s teaching and the valuable lessons she provides her students that will assist them in the “real” world.

Mr. Fitzpatrick established the scholarship so that less fortunate individuals would have the same opportunity for the educational experience that he had at WCTC. “Education is very important, and if a donation will help someone achieve their educational goals, then when I die I will know that my life was a life worth living. Every day of the year I remind myself that a life need not be measured in number of years, but by the contributions of the individual.”

The purpose of this scholarship is to benefit students enrolled in the Marketing Program at WCTC in their continued pursuit of their Associate Degree in Marketing.

“Returning to school was a difficult choice and I have often second-guessed myself. Receiving this scholarship encouraged and reassured me that I had made the right decision. It is about knowing someone else believes in what I am attempting to accomplish.” —LaRhonda Black (Brian & Dianne Henke Family Scholarship)

Print Production Open (PPO) Scholarship

Each year for the past 18 years, the Print Production Open (PPO) held a golf tournament to benefit worthwhile causes suggested by members of the group. In 2006, the PPO organizers determined that the proceeds from the golf tournament should be used to fund scholarships for students attending the Harry V. Quadracci Printing & Graphics Center located on WCTC's campus in Pewaukee.

Approximately 70 golfers took part in the 2006 tournament and raised \$3,000. This gift to the WCTC Foundation was matched by Quad/Graphics, for a total donation of \$6,000! This special gift will be used to fund six \$1,000 scholarships for WCTC students.

William A. Baumgart "Excellence in Education" Scholarship

Bill Baumgart has had a strong interest in education throughout his life. His own education led to a Bachelors Degree in Electrical Engineering and a Masters in Business Administration. Through his time as the Director of Training at Ameritech, he worked with the Technical College System to develop a weekend program for employees to work on a degree in Telecommunications-Electronics, and he became involved in the School-To-Work initiatives in Waukesha County.

Mr. Baumgart subsequently served as the Executive Director of Partners For Education, helping to bridge the gap between business and schools to help students be better prepared for their entrance into the world of work. In 2006, Mr. Baumgart was recognized by the Wisconsin Association for Career & Technical Education for his contributions to the improvement, promotion and development & progress of career and technical education in Wisconsin.

The William A. Baumgart Excellence in Education Scholarship honors Mr. Baumgart's commitment to quality education in Waukesha County through his service in Partners For Education.

Keith Owsiany Memorial "Window"

Mr. Keith Owsiany, affectionately known as "Mr. O", was an instructor in WCTC's Culinary and Hospitality Department for over 25 years. During this time, he had one desire....a window for his office. Even after Mr. Owsiany passed away in September 2005, his students continued to stop in the Culinary & Hospitality area and talk about what a wonderful inspiration he was....a friend to all and a mentor to many students and teachers. Due to the generosity of Mr. Owsiany's family, friends, students and faculty at WCTC, his "window" became a reality. This beautiful and lasting tribute is located in the reception area before you enter the College's "Classic Dining Room." The "Classic Dining Room" is WCTC's training restaurant, a spacious facility with accommodations for 60 diners. Menus offering international cuisine are designed and served by students. Keith spent many hours teaching students in this area, and his presence remains with his etched portrait overlooking the kitchen and greeting guests who come to dine in this unique setting.

AAWCC

The American Association of Women in Community Colleges (AAWCC) Waukesha Chapter's mission is to create an awareness of the value of women leaders in community and technical colleges, and to gain financial support for professional development of women as leaders.

In support of their mission, the AAWCC-Waukesha Chapter provides scholarship funding each year to the WCTC Foundation which is used to assist women in continuing their education.

In 1997 the AAWCC Endowment Fund was established to benefit women at least 25 years of age seeking a business, professional or technical career and enrolled at WCTC in a vocational diploma or associate degree program.

WACTE

Wisconsin Association of Career and Technical Education (WACTE) unites individuals involved in career and technical education, provides professional development, encourages leadership in the political arena, and promotes innovative change to enhance lifelong learning. Many fundraisers throughout the year are hosted by WACTE.

The organization's first focused fundraiser was to establish the Judi Fargo memorial. This outdoor sculpture, to commemorate Judi's dedication to WACTE, is a permanent enhancement to the Pewaukee campus.

Funds raised through current special events are used exclusively for student scholarships and staff professional development activities.

WCTEA/WCESSU

The Waukesha County Technical Educators Association (WCTEA) and the Waukesha County Educational Support Staff Union (WCESSU) established the WCTEA/WCESSU Endowment Fund in 1997 in order to provide opportunity and encouragement for WCTC students enrolled in an Associate Degree and Vocational Diploma Program. This is a tremendous example of a united effort to support the educational advancement of WCTC students through scholarships.

The WCTC Foundation extends appreciation to the WCTEA and WCESSU, not only for their generosity, but also for the inspiration their scholarship brings to our students.

“I have wanted to be in the field of Early Childhood Education ever since I can remember. I love WCTC and am immensely grateful that I can be here because of the financial support from this scholarship.” —Eden Brinkman (Edward J. Evert Family Memorial Scholarship)

WCTC Foundation Remembrance Program

The WCTC Foundation's Remembrance Program provides charitable opportunities for memorials or special occasion remembrances. The following is a list of all memorial and recognition gifts received from July 1, 2005 through September 30, 2007. (The remembrance gift listing is extended through September to provide acknowledgments for funds established at the conclusion of the past fiscal year.) These remembrance donations are designated to support student scholarships and programs at WCTC. If you would like to receive information regarding our Remembrance Program, please call the WCTC Foundation at 262.691.5202, or email at foundation@wctc.edu. Thank you.

Your bequest becomes an enduring commitment to technical education and its students.

Suggested Wording for Bequests to the WCTC Foundation Inc.

The following are suggested wordings for directing gifts by bequests to the WCTC Foundation, Inc. They are to be used as guidelines for those consulted in the preparation of wills and letters of gifts. Donors may wish to include additional guidelines in their bequest.

It is strongly recommended that contributors consult an attorney to prepare their will and to supervise its execution in order to comply with all the requirements of the law in their state. It is also wise to give the WCTC Foundation, Inc. considerable latitude in the use of any funds so that a change of circumstances will not impair the usefulness of a gift.

General

I give to the WCTC Foundation, Inc. Pewaukee, Wisconsin, the sum of \$ ____ (or, the following described property:) (or, the rest, residue, and remainder, or percentage, of my estate) to be used by the WCTC Foundation, Inc. to benefit Waukesha County Technical College (WCTC).

Scholarship Fund

I give to the WCTC Foundation, Inc., Pewaukee, Wisconsin, the sum of \$ _____ (or, the following described property: _____)(or, the rest, residue, and remainder, or percentage, of my estate) to be used to establish the ___(name)___ Scholarship Fund, for the purpose of annually providing one or more scholarships to deserving students who are enrolled at Waukesha County Technical College, in accordance with the decisions and judgment of the WCTC Scholarship Committee or its successor agency as directed by the WCTC Foundation, Inc.

Types of Funding

There are several funding options in which you may support the WCTC Foundation, Inc. These options have been developed to meet the needs of our many donors.

Endowments

An endowment with the WCTC Foundation is an excellent tool for making a perpetual scholarship gift. An investment of \$10,000 establishes a named endowment to benefit a specific category of students or a field of study that has been chosen by the donor. To accomplish this goal, gift commitments may be completed over a five-year period. Scholarships are awarded beginning the semester after the \$10,000 goal is reached.

Named Scholarships

Named Scholarships are established to recognize a particular individual or organization. The purpose of the scholarship may be designated specifically by the donor. Honorary and memorial scholarships usually define a field of interest specifically related to the donor's motivation. All Named Scholarships are promoted to students with information about the source of funding and purpose of the scholarship.

Advised Funds

Another form of support is through an Advised Fund. An Advised Fund is used for the support of specific programs of a department or division and/or the support of students enrolled at WCTC. Donors designating their gifts to an Advised Fund may restrict their gift to student assistance, staff development, materials, equipment, supplies, etc.

“Since I’ve been in the Interior Design program, I’ve experienced a sense of direction and optimism that I’ve never known. I intend to apply my abilities and education to the fullest, and to continue to be a positive participant in my community.” —Matthew J. Lathrum (*Claudine Bertieri Savage Memorial Scholarship*)
