WCTC’s Dual Enrollment Academy (DEA) is designed to give high school seniors a jump start in high-demand occupations, awarding participants with a WCTC credential(s) upon successful completion along with earning high school credits. High school students will spend the majority of their school day, both the fall and spring semesters of their senior year, at WCTC participating in the Dual Enrollment Academy.

Prospective students should have a strong interest in pursuing a career in their chosen program option. Students must be in good academic standing with a minimum 2.0 high school GPA and also meet the WCTC program requirements. Parental and high school approval is required for a student to be accepted into the program.

Protective Services

22-credit program
www.wctc.edu/dual-enroll

This program combines Emergency Medical Technician (EMT), Firefighter and Criminal Justice courses, giving students a well-rounded experience in the field of protective services, allowing them early opportunities to serve in their communities and gain insight on their strengths and interests among all three pathways.

• Emergency Medical Technicians are trained to perform certain medical procedures, transport patients via ambulance and provide pre-hospital care in preparation for getting a patient to the next point of care.

• Firefighters are tasked with the responsibility of protecting life, property and the environment through fire suppression, hazardous materials mitigation and emergency medical services.

• Those who choose careers in law enforcement are trained to ensure the safety of people and property and make a commitment to enforcing the law.

DEA STUDENTS EARN:
• Emergency Medical Technician Technical Diploma
• CPR Certification

Continue on your educational pathway using your DEA credits in the Emergency Medical Technician, Firefighter and/or Criminal Justice programs at WCTC.
