**General Information**

LIR is fortunate to have so many highly qualified, non-paid instructors who freely volunteer considerable time and expertise in the development of quality courses. LIR has nearly 500 members with interesting and diverse backgrounds and opinions. As adult learners and volunteer instructors work together to ensure our continued success, the following suggestions are offered:

Please be in class on time to avoid class distraction. Tell the instructor in advance if you need to leave early. When possible, tell the class coordinator of an upcoming absence. Class coordinators can assist with distribution of printed material that you may have missed.

When personal opinions are presented by instructors or by students, common courtesy is requested in expressing those opinions. Your opinions do matter and often make the course more interesting. In some instances, it may be preferable to talk with the instructor after class. In all situations, LIR will follow the code of conduct for students and instructors as presented in the WCTC code of conduct which can be found on the WCTC website.

Seize the Opportunity

An organization is only as good as its members. Learning in Retirement thrives due to the hard working volunteers that make up our various committees. LIR applauds these members for their hard work and dedication.

If you are interested in joining one of the LIR committees, please call the office with your name, phone number, and which committee(s) you would like to join. Not only will you be furthering the mission of LIR, but committee membership is a great way to meet other members.

Our committees include:

- **Curriculum**: Organize courses and the course catalog.
- **Membership**: Recruit new and maintain current members.
- **Promotions**: Promote LIR in the local communities. Create the LIR biannual newsletter.
- **Fundraising**: Organize activities that raise funds for LIR.
- **Mailings**: Help prepare items for mailing to members.
- **Special Events**: Organize events and trips for LIR members.

Call the LIR office at 262-695-3473 if you wish to join a committee.

LIR has several DVD courses that are in need of facilitators. If you would like to preview any of these courses to see if you would like to join our growing list of volunteer instructors, please contact the LIR office at 262-695-3473.

TAX DEDUCTIBLE DONATIONS MAY BE MADE TO LIR-WCTC

The WCTC Foundation, an organization designed to obtain, manage, and convey private resources to assist WCTC in achieving its goals and coordinate private fund raising activities, is available to handle donated contributions and to provide receipts for tax purposes to individual contributors. Monetary donations of any size can be handled through the Foundation.

The Foundation has established “Advised Funds” for sponsored WCTC organizations such as LIR. Each organization sets up its own fund with a Statement of Purpose so that individuals can make tax-deductible donations and disbursements can be made according to the criteria that the organization specifies. The Foundation, in effect, serves as the “bookkeeper” with each organization being in charge of its fund.

Donations can be sent directly to the Foundation or to the LIR office with a memo notation that the contribution is for the “LIR Advised Fund.” A letter, which serves as a receipt for tax purposes, is sent by the Foundation to the individual contributor.

If LIR members have questions about this fund or about the Foundation, they are encouraged to talk to a board member. Supporting LIR through members’ contributions or as suggested memorials to a family member or former LIR member will continue to be encouraged.

*Register by January 15, 2014 for the best chance to get the courses you want.
