Lakeland University RN to BSN Completion Program

<p>Articulation from: Wisconsin Technical College System (WTCS) – 16 colleges represented Associate of Applied Science – Nursing Up to 90 credits (semester hours) of accredited coursework earned within the WTCS will be accepted in transfer</p>	<p>Articulation to: Lakeland University (LU) RN to BSN Completion Program – Bachelor of Science in Nursing (BSN) Nursing Core Curriculum requirements – 27 credits Interdisciplinary Studies (IDS) requirements – 9 credits* Area of Emphasis – 12 credits, additional as needed*</p> <p>*Note: Students who transfer more than 72 credits to LU are likely to have completed coursework that meets IDS and Area of Emphasis requirements.</p>
---	--

The parties of this agreement, WTCS and the Lakeland University RN to BSN Completion Program, hereby agree to the following terms and conditions:

- **Eligibility for Admission:** Successful completion of the Associate of Applied Science – Nursing at a WTCS college with a cumulative GPA of 2.0 or above. An active, unencumbered RN license is required prior to enrolling in the nursing core curriculum.
- **Transferring as an Associate Degree Graduate:** Associate degree nursing graduates from the WTCS are eligible to transfer up to 90 credits (semester hours) that will be applied toward a Lakeland University Bachelor of Science (BSN) degree (see transfer guide below). Individual evaluation of WTCS nursing graduates' transcripts will be reviewed to maximize credit transfer. Additionally, applicants who have college-level work from a four-year college will be evaluated on a course-by-course basis to maximize credit transfer.
- **Technical Diploma Credit:** Associate degree nursing graduates who began in technical diploma level programs as their pathway to completing their Associate of Applied Science Degree in Nursing (ADN) will have their credits recognized in the same manner as the Associate of Applied Science – Nursing program.
- **Curriculum:** The applicant agrees to complete the remaining coursework in the RN to BSN Completion Program. Maintenance of at least a 3.0 cumulative grade point average in the NUR courses, earn a minimum of a C in all NUR courses and maintain an overall cumulative 2.5-grade point average.
- **Graduation Credits:** A total of 120 credits (semester hours) are needed to confer the BSN degree at Lakeland University. Also, a minimum of 30 credits (semester hours) of college credit must be earned through Lakeland University.
- **Publication of Agreement:** Each institution may market this agreement.
- **Continuation of Agreement:** This agreement will take effect upon the signing of the parties and shall continue until both parties agree in writing to modify or terminate the agreement.

Curricular requirements for the RN to BSN Completion Program

Nursing Core Curriculum requirements

- **NUR 301: Professional Nursing Practice**
- **MAT 220: Probability and Statistics**
- **NUR 303: Research and Evidence-Based Practice in Nursing**
- **NUR 320: Comprehensive Health and Physical Assessment**
- **NUR 330: Healthcare Systems, Policy, Regulation, and Advocacy**
- **NUR 401: Systems Leadership for Quality Improvement**
- **NUR 403: Informatics and Patient Care Technologies in Healthcare**

- **NUR 420: Community Health and Population-Focused Nursing**
- **NUR 430: Community and Population Health Practicum (WI)**

***Interdisciplinary Studies requirements**

- **GEN 112 – Composition II: Argumentation and Research**
- **Core II: Exploring the Human Condition** (select one 3 semester hour course)
- **Core III: Shaping the Future** (select one 3 semester hour course)

***Area of Emphasis requirements:** completion of one of the following area of emphases designed for the nursing major

Student Designed: Students may propose a twelve (12) semester-hour (minimum) emphasis in an area of academic interest that complements their major. Students may fulfill the concentration requirement by completing current courses offered by Lakeland University that are relevant to the area of interest. This concentration plan must be approved in advance by the student's academic advisor, Director of the Nursing Program, and the Dean of the Kellett School. Up to 6 semester hours of Experiential Learning may be used to partially fulfill the Student Designed option.

Healthcare Business Management: recommended for the nurse who aspires to contribute to the health care business organization, desires to be an entrepreneur or who wishes to pursue their master's degree with a Nurse Administrator/Clinical Nurse Leader focus. Courses (minimum of four courses; other courses with approval):

- ACC 210: Financial Accounting Principles**
- BUS 282/PSY 282: Industrial/Organizational Psychology**
- BUS 308: Healthcare Financial Management**
- BUS 309: Healthcare Economics**
- BUS 422: Healthcare Law and Ethics**
- NPO 140: Introduction to Nonprofit Organizations**

System Leadership and Management: recommended for the nurse who is innovative and seeks to provoke change through effective engagement of leadership and management principles. Recommended for the student who wishes to pursue a leadership role or their master's degree with a Nurse Administrator/Clinical Nurse Leader focus. Courses (minimum of four courses; other courses with approval):

- BUS 282/PSY 282: Industrial/Organizational Psychology**
- BUS 330: Management Principles**
- BUS 380: Human Resource Management**
- BUS 466: Human Resource Development**
- BUS 492: Organizational Leadership**
- COM 310: Leadership Communication**

Cultural and Diversity Studies: recommended for the nurse who wishes to increase their cultural competence and deliberate the social context of professional nursing practice. Courses (minimum of four courses; other courses with approval):

- CRJ 200: Victimology**
- CRJ 202: Drugs, Crime, and Society**
- HIS 372: United States Ethnic History**
- PSY 227: Cross-Cultural Psychology**
- PSY 306: Gender: Biopsychosocial Perspectives**
- REL 132/SOC 132: Religious Diversity in America**

Behavioral and Psychiatric Health: recommended for the nurse who wishes to increase their skills in psychiatric-mental health nursing or who wishes to pursue Psychiatric Mental Health Advanced Practice Nursing (PMH-APRN). Courses (minimum of four courses; other courses with approval):

- COM 365: Health Behavior Communication**
- PSY 305: Health Psychology**
- PSY 321: Personality Theories**
- PSY 361: Aging: Bio-psychosocial Implications**
- PSY 372: Abnormal Psychology**
- PSY 417: Drugs and Behavior**
