**Waukesha County Technical College (WCTC)
General Studies**

**AS Liberal Arts: Kinesiology Pre-Major
to**

**The Board of Regents of the University of Wisconsin System on behalf of
University of Wisconsin-Milwaukee (UWM)
Joseph J. Zilber College of Public Health
BS Kinesiology**

Effective Date: 07/01/2024

Next Review Date: 07/01/2029

New Agreement

Revised Agreement

Agreement Description and Rationale:

To better facilitate the transfer of students with an interest in kinesiology, WCTC has designed a Kinesiology Pre-Major within its Associate of Science degree. The following articulation agreement formalizes how the courses required for that pre-major will transfer to the BS in Kinesiology at UWM and what requirements remain to complete after transfer.

Admission Requirements/Conditions:

Students must meet all standard UWM admissions requirements to be eligible for participation in this agreement. Information on transfer admissions requirements may be found at uwm.edu/undergrad-admission/apply/transfer.

Articulation Transfer Agreement Terms:

The terms of this agreement apply to WCTC students who successfully complete the AS in Liberal Arts with a Kinesiology pre-major in Spring 2024 or thereafter, meet the conditions set forth herein for UWM’s Joseph J. Zilber College of Public Health, and enroll in the BS in Kinesiology.

The Liberal Arts AS will transfer to UWM’s Kinesiology BS in accordance with the following and in alignment with the general transfer MOU currently in effect between WCTC and UWM for students who earn a liberal arts associate degree from WCTC:

- The WCTC AS in Liberal Arts must be posted on an official transcript in order for this agreement to be applied.
 - Students actively enrolled in the AS degree and expecting to complete it prior to enrollment may be admitted under the general terms of this agreement, pending receipt of a final, degree-bearing transcript.
 - Without associate degree completion, course-by-course transfer rules will be referenced, and some equivalencies identified in this agreement may no longer apply.
- A minimum of 61 credits earned toward the AS degree will transfer as stipulated in Appendix A.
- Course equivalencies specified in this articulation agreement are subject to change in the event that either curriculum for the AS degree or BS in Kinesiology major undergoes revision.
- This articulation agreement complies with the existing MOU between WCTC and UWM that recognizes completion of university general education distribution requirements upon completion of the AS degree. Oral & Written Communication, Quantitative Literacy, & Languages other than English requirements are not covered by the general transfer MOU and will be fulfilled based on individual course evaluations.

All credits applied to associate degree requirements, including credits accepted in transfer or awarded through prior learning assessment, will be recognized by UWM and transfer as if earned at the degree-awarding institution.

Program-to-program transfer courses/credits are accepted only for the UWM program/degree specified in this agreement. A change of major/degree/program may invalidate these courses/credits for transfer unless they are approved within some other transfer agreement for a different major/degree/program at UWM.

Coursework taken in addition to what is required for the associate degree will be evaluated on a course-by-course basis and transferred in accordance with routine UWM transfer policy. A maximum of 72 credits can be transferred from WCTC to UWM. Information on the transferability of specific, non-articulating courses may be found in Transferology (www.transferology.com) or UWM's Transfer Equivalency Database (TED) (ted.uwm.edu). For UWM General Education Requirement (GER) transfer equivalencies, refer to Appendix B.

Graduation Requirements/Policies:

In addition to following all Academic Undergraduate Policies (<https://catalog.uwm.edu/policies/undergraduate-policies/>) and meeting all General Education and major requirements, students must satisfy the following to receive the Kinesiology BS at UWM:

- A minimum of 120 credits is required to complete the bachelor's degree.
- A cumulative UWM GPA of 2.0 and Kinesiology Core GPA of 2.0 are required.

A transfer course/credit articulation table showing how the Liberal Arts AS from WCTC transfers to UWM's Kinesiology BS appears in Appendix A. Some coursework may be combined to meet requirements within the BS in Kinesiology. Also, some courses that ordinarily do not transfer may do so under the terms of this agreement. Without associate degree completion, some coursework/equivalencies outlined in this agreement may not transfer as indicated.

Institutional Commitment:

This agreement is based on curricula in place for the 2024-25 academic year. This agreement is valid for a period of five years. Both WCTC and UWM agree to provide periodic updates in the instance that requirements for either of the programs change. At the end of the effective period, the terms of the agreement will be reviewed, updated as necessary, and continued if agreed upon by both parties.

In the instance either school wishes to end the agreement, 180-day advanced notice is required. Any students who have applied, been admitted, and/or have matriculated while the agreement was active will be allowed to continue under its original terms.

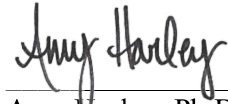

WCTC and UWM will make the terms of this agreement public and may develop marketing materials for its promotion. Each institution will provide advising as appropriate to interested students regarding this agreement. The two institutions agree to provide information necessary to aid in the successful transfer of these students and their academic credits.

Both institutions reserve the right to review and approve marketing materials created for the promotion of this agreement and will adhere to stated standards for the use of their respective names and logos. Furthermore, each institution assumes responsibility for communicating and marketing this agreement to its student population. Links to this agreement may be provided and should be maintained regularly, with notification to the other institution.

Appendix A: Program-to-Program Transfer Table

**Waukesha County Technical College (WCTC)
General Studies
AS Liberal Arts: Kinesiology Pre-Major
to
The Board of Regents of the University of Wisconsin System on behalf of
University of Wisconsin-Milwaukee (UWM)
Joseph J. Zilber College of Public Health
BS Kinesiology**

The following table outlines a potential transfer scenario, showing how the associate degree curriculum applies to the bachelor’s degree and which requirements remain to complete at UWM. To maximize credit transfer, some substitutions may be identified. While every effort is made to maximize credit transfer, lack of alignment between degree programs and levels may require students to exceed 120 credits to meet all graduation requirements. Transfer results will differ based on individual students’ transcripts.

Degree Requirement	WCTC Coursework	Cr	UWM Coursework	Cr
