

Course Registration Process

Step 1: Locate Program Requirements

Program requirements are based on the academic year the program was started.

New students:

- Visit the current catalog: catalog.wctc.edu/programs.
- Select your Program and then "Required Courses."

Current students:

- Go to www.wctc.edu.
- Select "MyWCTC" at the top right of the web page to login.
- Select "myProfile" from the "Academic Profile" card.
- Locate your catalog term.

Visit catalog.wctc.edu and select "Archived Catalogs" or current Catalog (if appropriate).

Please contact your program advisor with any questions or special circumstances: 262.691.5400.

Step 2: Search for courses

Visit wctc.edu/course-search.

- Enter course number (XXX-XXX) in "Course Title/Subject/ Course Number" field.
- Choose the correct semester from the drop down menu.
- Choose "Find Course" and view course availability.
- Record the Course Registration Number (CRN) with the section that works for you.
- Please note: Many courses are held on more than one day so the course will run on all days and times listed under one CRN.

Registration for courses is on a first-come, first-served basis. Students are encouraged to register early based upon registration date.
